DETAILED ACTION

Election/Restriction

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. New claims 23-29 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

5. For at least claim 23, this claim provides an image processing system for generating duplicate copies and comprising an image reading device and a printing device. However, the image reading device and the printing device are not indicated to perform to the limitation of "the duplicate copies"; and the limitations of "wherein, on at least one of both devices, ... on the other device" are not clearly indicated which device is the image reading device or the printing device. Thus, claim 23 is indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
